

Section 401 Water Quality Certification Public Notices

The Central Coast Water Board is currently reviewing an application for the following project for certification under Section 401 of the Clean Water Act. We encourage public comments on the proposed work, which will be considered in the decision. You may submit written comments on this project to:

Central Coast Regional Water Quality Control Board
895 Aerovista Place, Suite 101
San Luis Obispo, CA 93401
Attention: 401 Coordinator

Project Applicant	Lisa Arroyo, Project Manager – City of Santa Barbara
Applicant's Agent	N/A
Project Name	Ortega Street Bridge Replacement
Receiving Water	Mission Creek
City/County	Santa Barbara/Santa Barbara
Public Notice	August 25, 2010 – September 15, 2010
Project Description	<p>The purpose of this project is to remove and replace the structurally deficient and functionally obsolete existing bridge. The project will also improve hydraulics under the new bridge and provide transition walls to the existing creek features.</p> <p>The project activities include:</p> <ul style="list-style-type: none">• Demolition and removal of the existing bridge and channel walls.• Construction of a new bridge and channel walls.• Removal or protection of existing structures along the creek adjacent to the project.• Removal of non-native plant species and replacement with native riparian plant species.• Dewatering and diversion as necessary to construct improvements. <p>The City of Santa Barbara filed an Environmental Impact Report on March 10, 2008.</p>
